Oliver Twist - (World-renowned classic author's work) (Original content) (ANNOTATED) eBook:

Charles Dickens: Amazon.com.au: Kindle Store

A gripping portrayal of London's dark criminal underbelly, published in Penguin Classics with an introduction by Philip Horne. The story of Oliver Twist - orphaned, and set upon by evil and adversity from his first breath - shocked readers when it was published. After running away from the workhouse and pompous beadle Mr Bumble, Oliver finds himself lured into a den of thieves peopled by vivid and memorable characters - the Artful Dodger, vicious burglar Bill Sikes, his dog Bull's Eye, and prostitute Nancy, all watched over by cunning master-thief Fagin. Combining elements of Gothic Romance, the Newgate Novel and popular melodrama, Dickens created an entirely new kind of fiction, scathing in its indictment of a cruel society, and pervaded by an unforgettable sense of threat and mystery. This Penguin Classics edition of Oliver Twist is the first critical edition to faithfully reproduce the text as its earliest readers would have encountered it from its serialisation in Bentley's Miscellany, and includes an introduction by Philip Horne, a glossary of Victorian thieves' slang, a chronology of Dickens's life, a map of contemporary London and all of George Cruikshank's original illustrations. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Oliver Twist was first published in 1837 in serial format, in Bentley's Miscellany, which Dickens was editing at the time. Oliver Twist was Dickens's second novel and his first real social novel, critiquing the harm public institutions inflicted on the poor. Dickens would come to be known as the master of this form, and would continue it in Nicholas Nickleby, which he would write while still working on Oliver Twist.

translations by award-winning translators.

Differentiated book- It has a historical context with research of the time-Oliver Twist, Volume 2 by Charles Dickens. Oliver Twist is the second novel by English author Charles Dickens. It was originally published as a delivery novel. It is the first novel in the English language that has a child as the protagonist. Oliver Twist is one of the first social novels in the history of literature. He draws his readers' attention to various social ills of the time, such as child labor or the use of children to commit crimes. Dickens scoffs at the hypocrisy of his day by treating these serious subjects with sarcasm and dark humor. It has been adapted on numerous occasions for film, television and musical theater. It has been translated into numerous languages. Charles Dickens - Charles John Huffam Dickens FRSA (February 7, 1812 - June 9, 1870) was an English writer and social critic. He created some of the world's best-known fictional characters and is considered by many to be the best novelist of the Victorian era. His works enjoyed unprecedented popularity during his lifetime, and by the 20th century, critics and scholars recognized him as a literary genius. His novels and short stories are still widely read today. Born in Portsmouth, Dickens dropped out of school to work in a factory when his father was incarcerated in a debtor's prison.

A reprinting of the 1843 first edition, complete with the original illustrations, is supplemented by over eighty related sketches and annotations on and analyses of the text and historical notes on the writing of "The Christmas Carol."

This is an annotated and illustrated version of the book1.contains an updated biography of the author at the end of the book for a better understanding of the text.2.It also contains new and unique illustrations to give a better documentation and realism to the bookREATS OF THE PLACE WHERE OLIVER TWIST WAS BORN AND OF THECIRCUMSTANCES ATTENDING HIS BIRTHAmong other public buildings in a certain town, which for many reasonsit will be prudent to refrain from mentioning, and to which I willassign no fictitious name, there is one anciently common to most towns, great or small: to wit, a workhouse; and in this workhouse was born; on a day and date which I need not trouble myself to repeat, inasmuch asit can be of no possible consequence to the reader, in this stage ofthe business at all events; the item of mortality whose name isprefixed to the head of this chapter.For a long time after it was ushered into this world of sorrow andtrouble, by the parish surgeon, it remained a matter of considerable doubt whether the child would survive to bear any name at all; in whichcase it is somewhat more than probable that these memoirs would neverhave appeared; or, if they had, that being comprised within a couple ofpages, they would have possessed the inestimable merit of being themost concise and faithful specimen of biography, extant in theliterature of any age or country.Although I am not disposed to maintain that the being born in aworkhouse, is in itself the most fortunate and enviable circumstance that can possibly befall a human being, I do mean to say that in thisparticular instance, it was the best thing for Oliver Twist that couldby possibility have occurred. The fact is, that there was considerable difficulty in inducing Oliver to take upon himself the office ofrespiration, --a troublesome practice, but one which custom has renderednecessary to our easy existence; and for some time he lay gasping on a little flock mattress, rather unequally poised between this world andthe next: the balance being decidedly in favour of the latter. Now, if, during this brief period, Oliver had been surrounded by carefulgrandmothers, anxious aunts, experienced nurses, and doctors ofprofound wisdom, he would most inevitably and indubitably have beenkilled in no time. There being nobody by, however, but a pauper oldwoman, who was rendered rather misty by an unwonted allowance of beer;and a parish surgeon who did such matters by contract; Oliver andNature fought out the point between them. The result was, that, after a few struggles, Oliver breathed, sneezed, and proceeded to advertiset to the inmates of the workhouse the fact of a new burden having beenimposed upon the parish, by setting up as loud a cry as couldreasonably have been expected from a male infant who had not beenpossessed of that very useful appendage, a voice, for a much longerspace of time than three minutes and a quarter.

## Where To Download Oliver Twist Original Edition Annotated English Edition

Oliver Twist; or, the Parish Boy's Progress is Charles Dickens's second novel, and was first published as a serial from 1837 to 1839. The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker. After escaping, Oliver travels to London, where he meets the "Artful Dodger", a member of a gang of juvenile pickpockets led by the elderly criminal Fagin. Oliver Twist is notable for its unromantic portrayal of criminals and their sordid lives, as well as for exposing the cruel treatment of the many orphans in London in the mid-19th century.

Everyone begins life's journey as a child. From one of the world's most beloved writers comes this memorable parable of life's transitions. Originally published by Charles Dickens in the mid-1800s, "The Child's Story" is a timeless account of the journey we all take, from carefree childhood and spontaneous youth, through adulthood and marriage, and into our golden years. Now, almost 150 years after its original publication, acclaimed artist Harvey Chan adds his stirring images to Dickens's classic words, creating a unique and powerful reading experience that's ideal for children of all ages.

In 19th century London, the trusting orphan Oliver escapes factory work, only to fall in with a gang of nefarious thieves.

Oliver Twist, or The Parish Boy's Progress, is author Charles Dickens's second novel, and was first published as a serial 1837-39. The story centres on orphan Oliver Twist, born in a workhouse and sold into apprenticeship with an undertaker.
